

BILOgravel Challenge Series 2024
BILOgravel / naturagravel / DAGravel
BILOgravel 2024

VENUE: Bilogora, Bjelovar, Veliko Trojstvo, Vidikovac
TYPE: Gravel Challenge, recreational marathon
DATE AND TIME: 19.5.2024, start 10.00

DESCRIPTION OF THE ROUTE

Starting at the replica of the old border guardhouse above Veliko Trojstvo, we will drive on circular paths through Bilogora's vineyards, forests, meadows, fields and villages. On the entire route, there are only six gentle climbs slightly longer than a kilometer, but there are many more short ones. The route follows forest roads littered with breakstone gravel or Bilogora natural, round, yellow gravel. Only in a few places are the shorter connecting roads grassed or made of hard Bilogora loam. We recommend wider tires.

RED ROUTE (82 km / 1360 m)

Two-thirds is driven on gravel, one-third on asphalt. There will be 3 feed zones (27km/40km/61km) on the path. The path will be marked with permanent BILOgravel route signs and additional red arrows.

BLUE ROUTE (61 km / 1060 m)

It separates after the first feed zone (27 km) from RED and rejoins it after 2 km.

Half of the track is gravel, half is asphalt. There will be 2 feed zones (40 km) on the track. The route will be marked with permanent BILOgravel route signs and additional blue arrows.

GREEN ROUTE (42 km / 740 m)

After 20 km, it separates from the others.

13 km of the track is asphalt, the rest is gravel. There will be 1 feed zone (21km) on the track. The route will be marked with permanent BILOgravel route signs and additional green arrows.

In addition to the feed zone, in half of the A and B routes there are catering facilities where you can rest and refresh yourself.*

GENERAL REGULATIONS

The MTB regulations of the HBS and the UCI apply, as well as the general rules of the UCI.

By taking the starting number, drivers accept the rules and propositions and ride at their own risk, with a correct bicycle and a mandatory protective bicycle helmet. The organizer is not responsible for any damage caused by the drivers to their own or other people's equipment or to third parties.

MEASUREMENT OF TIME

For security reasons, each competitor is required to set a starting number that will be given during registration, according to the instructions on the back of the number. The starting number has a timing chip and does not need to be returned after the challenge.

Timing and processing of results in real time is done by our timing partner, racebase.pro.

E-BIKE REGULATIONS

The e-bike may be unlocked, but must be pedal-powered.

COMPLAINS

Complaints for events during the challenge must be submitted by the driver to the head referee in writing no later than 10 minutes after the end, with a deposit of €40.

The driver submits complaints about the results to the head judge in writing no later than 10 minutes after their publication, with a deposit of €40.
